**\*\*Indiana Law was changed to allow the use of all types of fireworks on private property. While the passage of this law lifts the prohibition of the use of such fireworks, it does not prevent the park from regulating activities that it determines to be hazardous and dangerous to park property and our guest. Therefore, all such EXPLODING AND AERIAL FIREWORKS ARE BANNED FROM THE PARK. Anyone using such devices will be subject to park fines. Violators may be asked to leave!!!**
